

Turn Your Recycling Into Rewards

Mint Rewards is a mobile app that makes recycling simple and rewarding. Our team collects your recyclables from your doorstep — and every contribution earns Mint Reward Points you can redeem for discounts at popular brands.

Now live in your society — joining is **FREE**

How It Works

01

Families receive Mint bags to collect their recyclables.

02

Our team collects the waste on scheduled days.

03

Residents earn reward points added directly to their Mint Rewards app.

04

Points can be used at a wide range of partner stores and services.

Download the App

Scan the code for your phone, sign up in a minute, and start earning on your next collection day.
